

# Draethen Waterloo & Rudry Community Council

Good news – An example of just a few of the things we do

AEDs in Rudry School, Draethen & Waterloo villages & Rudry village hall

Not a new road but a new sign

After a mornings work

DWRcc health walks - foraging, fungi, wildflower, bats and owls

Since creating fire-breaks on Rudry common there has been a dramatic reduction in grass fires

Since DWRcc paid for these chevrons no further accidents have occurred on this S bend
